

Ambient Voices Soundset by Dmitry Sches.
 100 atmospheric patches for u-he Zebra 2.x.
<http://www.dmitryshes.com>

Thank you for purchasing the Ambient Voices!
 I hope you will have a lot of fun with the deep and rich
 stereo sound of this soundset.

Installation

Unpack the .zip file which holds the Ambient Voices Soundset, templates and this readme file and copy the Ambient Voices Soundset directory to your Zebra presets folder:

Windows: (Zebra installation location)/Zebra2.data/Presets/Zebra2/

MacOS X: MacHD/Library/Audio/Presets/u-he/Zebra2/

The Ambient Voices also includes some oscillator templates for Zebra. In order to use it you must copy the entire content of the Ambient Voices Osc Templates directory to your Zebra oscillator template folder:

Windows: (Zebra installation location)/Zebra2.data/Modules/Oscillator/

MacOS X: MacHD/Library/Application Support/u-he/Zebra2/Modules/Oscillator/

Content

The oscillator templates.

Formant Saw Formant Square Formant Triangle Triple Saw Vox Waves	Derivative waveforms based on standard sawtooth, square and triangular waves. Useful for a coloration of your lead and pad sounds.
Pure Harmonics 1 Pure Harmonics 2 Sine Chords	Waveforms with a low harmonic content. Useful for creating strong inharmonic signals via FM and RM which can be used for designing plucked, bell, noisy and atmospheric sounds.

The patches.

Some tips:

- root key for all patches is C4
- most of patches comes with XY mappings. In general case the XY controls has a strong influence on generated sound
- all pads and many other patches may be played with chords
